

Adjustable Self-Retractable Knife

#SK020

Feature

Self-Retractable - The self-retracting mechanism of utility knife retracts the blade automatically when user release the slider after cutting.

Adjustable Blade Exposure -Innovative turning "+" "-" knob allows adjustment of blade length from 0.1-40mm. User can adjust every 0.1mm blade length to make sure accurate & precision cutting.

Precision Cutter - Come with one 30-degree point tip solid blade. For replacement blade, only use Nova SB009 SK2 9mm blade. Can be used for arts and crafts and can cut through cardboard.

Durable and Lightweight – The tip only 5mm thick, it's good for trimming & deburring than other snap off cutter, and the SK020 is a durable and long-lasting precision cutter.
